- Mastering service

Each distributed Album and Single will be available all over the world or on request, in certain Stores and Countries. The mandatory stores are (iTunes, Apple Music, Spotify, Shazam and Amazon). Please note that Distribution and Publication are not synonymous, they are marked as follows: Distribution: online distribution with copyright codes, UPC codes and EAN code 13-14-15 on digital platforms.

—

PUBLICATION:

Online publication on closed circuit (Stark.TV Records on YouTube) without perceiving earnings. Please also note that each Distribution will automatically imply the publication of videos (AUDIO only) of the Singles or Albums distributed by you already included with the distribution cost.

Please note that if the VEVO service is active, each video (AUDIO / OFFICIAL VIDEO) will be published on this channel and no longer on Stark.TV Records, enabling 100% Royalties on videos.

(Only for Rap / Hip-Hop genre)

Rap / Hip-Hop Artists or groups can take advantage of the personal YouTube service with Dynamic control, that is: direct management of the YouTube page by Stark.TV Records by providing access credentials from their Administration Area, by contacting assistance or creation of a dedicated YouTube channel managed by both sides. In case of VEVO channel by the Artist or Group created via a service provided by Stark.TV Records it will imply an exclusive management.

Our policy

Respect and security, you will be recognized as an Artist or Group all over the world, your free figure implies adequate behavior. Every year from the date of registration, the reconfirmation by Stark.TV Records is required for the maintenance of the Account, if within the first month the "Active" status of your Account is not confirmed, it will be temporarily suspended, abolishing the provision of services to your disposition. In the event of your definitive closure, you will be provided in full, the documents, data on personal Publications and Distributions, plus copyright codes and EAN code 13-14-15, if there are any Distributions / Publications made and / or still active.

—

The distribution period must be confirmed annually by making the maintenance payment on the selected platforms and countries; in case of your non-renewal, Singles and Albums will be eliminated from our publication circuit, in this case, the abolition of the royalty service on the distributed tracks. In any other case regarding renewal, all copyrights and sales codes will be your property; the sales codes will be suspended, and will no longer be resold by external entities, in case of Distribution of a Single or Album in periods subsequent to the year of first publication, the sale will be achieved within 1-2 weeks (depends on the speed of the stores) payment will be required in reference to the type of service requested.

—

We further warn that our monetary return policy is not enabled, our trace elimination policy is not enabled, our third party affiliation policy is not enabled except with the services we offer. We respect the Artist and we do not guarantee any% profit, every activity (payment) will be made via PayPal by Stark.TV Records.

—

The "fame and success" will depend only on the Artist, as we consider ourselves only and exclusively a distribution and promo service with no obligation of earnings for both parties. Your success will be our success, your "fame" will increase only with commitment, dedication and passion, your future earnings will be personal and non-revocable.
